Dear Mr. Pope,

In response to your letter concerning your preliminary review of the Year End Report for 2007 for Friends of Cliff Stearns, I am submitting the following:

1. Line 11 (a)(iii), column B, on our Year End Report inadvertently added both line 11(a)(iii) column A and column B from the October Quarterly Report to line 11(a)(iii) from column A in the year end report, resulting in column B showing an additional \$4,990. This has been corrected.
2. This was the result of a spelling error in the name of the contributing PAC, resulting in it being listed as two separate PACS. This error did not result in any excessive contribution. This error has been corrected.
3. Our Form EZ-1 was correct in the Year End Report. The figures in your letter did not include a \$1,000 contribution received in November 2006 and properly disclosed as being received for the 2008 election cycle. This was verbally confirmed by the FEC staff. No correction to our Year End Report is necessary.

If you have any questions, please let me know.

Sincerely,

Owen Malcolm
